BANKRUPTCY CODE AND BANKRUPTCY RULE 1007**

The City of Chester (“Chester” or the “City”), hereby submits this list of creditors (the “List of Creditors”) pursuant to section 924 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

The List of Creditors identifies potential holders (collectively, the “Creditors”) of claims as defined in section 101(5) of the Bankruptcy Code (collectively, the “Claims”) against the City’s various governmental, proprietary, and fiduciary funds as of the commencement of this chapter 9 case on November 10, 2022.¹

When the Receiver was appointed, the City’s financial and accounting records were in disarray, the City lacked accounting software and computers, the City maintained many records by hand, and the City issued hand-written checks. Further, at the time of the Receiver’s appointment, the City’s last audited financial statements were from 2017. While the Receiver and his professionals have made significant progress in modernizing the City’s financial and accounting record keeping and invested substantial time and resources to create proper financial

Creditors is not, and shall not be deemed to be, an admission by the City that the potential Creditor has a Claim against the City. The City reserves all of its rights to (a) amend the List of Creditors as a matter of course at any time before the City's chapter 9 case is closed under Bankruptcy Rule 1009 and (b) object to any Claim pursuant to section 502 of the Bankruptcy Code.

In addition, the City files this List of Creditors without prejudice to or waiver of its rights pursuant to section 904 of the Bankruptcy Code, and nothing herein is intended to, shall constitute or shall be deemed to constitute the City's consent, pursuant to section 904 of the Bankruptcy Code, to this Court's interference with (a) any of the political or governmental powers of the City, (b) any property or revenues of the City, or (c) the City's use or enjoyment of any income-producing property.

and accounting records and projections, including recreating basic accounting and financial records and obtaining audited financial statements for 2018, work to correct the substantial deficiencies in the City's historical financial and accounting records is ongoing. As a result, amendments, modifications, or supplements to this List of Creditors may become necessary and appropriate, and the City reserves all rights to amend, modify, or supplement this List of Creditors as additional information becomes available and the work of the Receiver's professionals continues.
